- § 1 Purpose, Opening time
- § 2 Persons who owe fees and charges
- § 3 Origin and due date of the attendance fees
- § 4 Attendance fees / charges
- § 5 Further costs
- § 6 Attendance fee reduction
- § 7 Deferral of payment
- § 8 Determination of fees / charges
- § 9 Scope / entry into force

§ 1

Purpose, Opening time

For attendance at the named Kindergarten during the hours

Monday to Thursday from 7:30 am to 5:30 pm

Friday from 7:30 am to 4:00 pm

monthly visit fees, meal fees and other fees are charged according to this fee statute.

§ 2

Persons who owe fees and charges

The fees and charges are owed by the legal guardian. This also applies if other authorised representatives who have provided the required proof of admission have registered the child.

§ 3

Origin and due date of the attendance fees

1. The obligation to pay the attendance fees and other charges arises with the enrolment of the child in the Kindergarten. The obligation to pay also exists in case of illness of the child or temporary closure of the facility, as well as during the holiday season.
The fees and other charges are valid until the end of the Kindergarten year or until the child enters primary school and, if applicable, beyond that, if the enrolment has not been previously terminated on time and on schedule.
2. The attendance fee is payable in advance by the first of each month.
3. The fee applies for the entire Kindergarten year regardless of closing times, which means 12 months a year.
4. Payment is made by direct debit authorisation in the debiting procedure. The account of persons entitled to custody must be covered; any bank charges incurred in the event of a shortage of funds shall be borne by the persons entitled to custody (return debits). In addition, a return fee of € 10 will be charged for rejected debits.
5. If the persons who owe the fees and charges are more than two months in arrears, the care contract is automatically considered to be terminated.

§ 4

Attendance fees / charges

1. For attendance at the Kindergarten visit fees have to be paid as a contribution to the running costs of the facility in the following amounts:

from 3 to 4 hours daily	10,00 €
from 4 to 5 hours daily	30,00 €
from 5 to 6 hours daily	50,00 €
from 6 to 7 hours daily	70,00 €
from 7 to 8 hours daily	90,00 €
from 8 to 9 hours daily	110,00 €
from 9 hours daily	130,00 €

2. The Bavarian parental contribution subsidy of € 100 is already included in the calculation of the attendance fees. The amount credited is limited to the subsidy amount. The contribution subsidy regulations stipulate a cut-off date. The subsidy applies from September 1st of the calendar year in which the child turns three and is paid until school starts.
3. The educational period for children until school entry is between 9:00 am and 1:00 pm. This period must be included in the booking times.
4. A minimum attendance of 4 days and 25 hours per week is required. We recommend attendance of the Kindergarten on 5 days a week.
5. The booking times are basically for the entire Kindergarten year. Transfer is therefore possible only once per Kindergarten year and must be announced in writing four weeks in advance. Further changes to the booked care times are only possible in hardship cases on request. This request should be addressed to the facility which decides on the need for a change. During the last 3 months of the Kindergarten year, a reduction of booking times is not possible. Increasing the booking times is only possible if sufficient staff hours are available.
6. The temporary absence of a child from the Kindergarten leaves the fees unaffected. The fee is payable in full even if the child is absent due to illness or personal reasons and the place in the Kindergarten is to be kept open for the child.

§ 5

Additional costs

1. The catering flat fee is 90,00 € per month (includes a daily snack).
If the fee changes, it will be adjusted.
2. The monthly cost for materials is 6,00 €.
3. The monthly beverage fee is 3,00 €.
4. The closing days of the facility are already included in the meal allowance. There is no refund if the child is ill or absent.
5. The catering flat fee and other fees are charged monthly in advance, together with the attendance fees.

§ 6

Attendance fee reduction

1. A reduction or partial assumption of the attendance fee can be applied for in special social and financial-hardship cases at the responsible youth welfare office based on § 90 along with §§ 22 and 24 SGB VIII (Child and Youth Assistance Act).
2. The following attendance fees apply to siblings who are also eligible for the contribution from the Free State of Bavaria.

from 3 to 4 hours daily	0,00 €
from 4 to 5 hours daily	0,00 €
from 5 to 6 hours daily	12,50 €
from 6 to 7 hours daily	27,50 €
from 7 to 8 hours daily	42,50 €
from 8 to 9 hours daily	65,00 €
from 9 hours daily	72,50 €

3. The other fees are not subject to any reduction.

§ 7

Deferral of payment

The attendance fee can be deferred in a revocable way in justified cases at the request of the person entitled to custody.

§ 8

Determination of the attendance fees / charges

1. In agreement with the Helmholtz Zentrum München, a change in the attendance fee may be made by the provider, with a period of four weeks' written notice or notice in the Kindergarten.
2. A change may be made in line with the increase in operating costs (material and personnel costs) and/or limitation/increase in public subsidies.

§ 9

Scope / entry into force

The fee Statute applies to the named Kindergarten and enters into force on 1 September 2022.
